FOAMY HAND SOAP

Chemico 3641 Foamy Hand Soap combines a Great Hand Soap that cleans well with Cost Savings & Land Fill Free Savings. We made a great soap and a Re-fillable Soap Dispenser where the machine makes a money saving hand cleaning system. Air is infused into the soap as it's dispensed, creating a rich, gentle luxurious lather. Just one push delivers a generous portion of foam. Our 3641 Chemico Foamy Hand Soap has a mild tropical fragrance, making it appealing and convenient to use. It's not just a fad... it's the future. No waste just the right amount and stop dumping plastic bags with metal, plastic, rubber and some soap in Landfills with the "Replacement" foam soap bags. We use no bags just a reusable-refillable-money saving System.
